Tour Itinerary:

DAY 01:

AIRPORT | PINNAWALA | KANDY

Arrive at Bandaranayake International Airport and be welcomed by a representative of Sri Holidays. En-route to Kandy - the last capital of the Sri Lankan Kings - visit the Elephant Orphanage in Pinnawala, which is home to about 60 Elephants found abandoned or orphaned in the wild. Also, accompany the Elephants to a river close by to see them having their daily baths.

After your arrival in Kandy, you will visit the TEMPLE OF THE SACRED TOOTH RELIC. It was built within the royal palace complex which houses the only surviving relic of Buddha, a tooth, which is venerated by Buddhists. The relic has played an important role in local politics since ancient times and it's believed that whoever holds the relic holds the governance of the country, which caused the ancient kings to protect it with great effort. Kandy was the capital of the Sinhalese Kings from 1592 to 1815, fortified by the terrain of the mountains and the difficult approach. The city is a world heritage site declared by UNESCO, in part due to the temple. Monks of the two chapters of Malwatte and Asgiriya conduct daily ritual worship in the inner chamber of the temple, in an annual rotation. They conduct these services three times a day: at dawn, at noon, and in the evening.

DAY 02:

KANDY SIGHTSEEING | ROYAL BOTANICAL GARDEN | CULTURAL SHOW

After breakfast you will leave to visit the Peradeniya Botanical Garden noted for its rich and varied collections of tropical woody plants. Occupying 59 hectares (146 acres), it has about 4,000 species of plants. The most important specimens of the garden include palms, some of which are planted in impressive avenues. Significant, too, is the collection of orchids, gymnosperms, and flowering trees. The gardens were founded in 1821 primarily to introduce coffee trees and various other tropical plants of economic importance to the region. Even after it took on a more botanical emphasis in the 1840s, the garden remained a center for horticultural activities. Under the directorship of the botanist George H.K. Thwaites, the garden played a pivotal role in establishing the country's flourishing tea industry in the late 1870s. Thwaites also brought in and cultivated the Brazilian rubber tree, which became a crop producer vital to Sri Lanka's economy. The botanical collection has developed into one of the finest in the region.

After you have had a chance to rest at your hotel you will embark on a Kandy Sightseeing Tour that concludes with a cultural performance featuring the traditional dance and drumming that Kandy is renowned for.

DAY 03:

KANDY I NUWARA ELIYA

After breakfast, you will be leaving for Nuwara Eliya. On the way visit SRI BAKTHA HANUMAN TEMPLE – RAMBODA. Ramboda is an area, where the forces of Rama's gathered to fight King Ravana. The hills of Ramboda are also believed to be where Hanuman was searching for Sita Devi. The Chinmaya mission of Sri Lanka has built an Anjaneyar temple with Hanuman as the presiding deity. This temple is called Sri Baktha Hanuman Temple and the image of Lord Hanuman here is 16 feet tall.

In the afternoon, you will visit a tea plantation and a tea factory. Nuwara Eliya is also the heart of Sri Lanka's tea country producing 50% of the world's best tea. Sri Lanka's highest mountain Pidurutalagala (8282 ft) is located here. Nuwara Eliya is also known as "Little England" and is the location for one of the finest 18 hole golf courses in Asia. Home of the famous Ceylon Tea and the rolling mountains are carpeted velvety green tea plantations, interspersed with gushing streams and tumbling waterfalls. The salubrious climate, misty glens, and similar to the British climate, make the place a must to include in your travel itinerary.

DAY 04:

NUWARA ELIYA I KITHULGALA I BENTOTA

After breakfast, you will leave for Bentota, en-route to visit Kithulgala. Here you can spend some time walking around a tropical rainforest or, if you are feeling more adventurous, you have the option of going white water rafting in Kitulgala. Spend an adrenalin-filled morning racing along the Kelani River on its grade 3 rapids to take in the beautiful surroundings of the hill-country at high-speed!

After this, you will move on to Bentota. Facing the Indian Ocean, a tropical lagoon, and a major river, Bentota Beach offers water sports possibilities nowhere else to be found in Sri Lanka.

Apart from swimming, body-surfing, or diving in the sea, you can jet-ski, windsurf, parasail, or enjoy a romantic river safari on the river and lagoon. Safe swimming conditions combined with fun water sport and exciting excursions to nearby attractions are providing the ideal background for a relaxed holiday time in Sri Lanka.

DAY 05:

BENTOTA I GALLE I BENTOTA

After breakfast, you will leave to visit Weligama & Galle. Weligama is a fishing village famous for its distinctive silt fishermen who sit high above the ocean on wafer-thin wooden poles, and a breathtaking little island just offshore which houses a picturesque resort.

After you have walked the beautiful sands of Weligama to your heart's content, you will move on to Galle, a bustling provincial capital and administrative center for the South. Once a port, Galle was Sri Lanka's first international commerce and trade center, and these days the streets are still awash with a cosmopolitan range of goods available to buy in exotic markets and quirky art galleries. The Dutch presence is still visible in Galle, and should you want to retrace the footsteps of the Dutch rule, let our guide give you the tour of the old Dutch Fort (a UNESCO World Heritage site), the Dutch Government House, the former New Oriental Hotel (built-in 1684), the old bell tower, and the Dutch tide-based sewage system. If you fancy a break from the hustle and bustle of city life, however, you can make your way down to Galle's beautiful Unawatuna Bay, one of Sri Lanka's finest beaches, where the crystal-clear sea laps the white sand, and wilting palm trees frame the picturesque coastline.

DAY 06:

BENTOTA | COLOMBO SIGHTSEEING

After breakfast, you will leave for Colombo. Do a city tour of Colombo, observe the old Parliament, the residential areas, and the BMICH (Bandaranaike Memorial International Conference Hall), and visit the Colombo Fort.

Also, Majestic City shopping complex, ODEL Unlimited Dress Boutique, and the ancient Pettah market at the harbor district, one of Colombo's busiest places and first shopping choices for most Indians visiting Sri Lanka. A mix of market vendors selling anything from fresh vegetables, meats, and seafood to jewelry, clothing, and electronic goods. The numerous streets are dedicated to different trades, with one of the most notable being sea street at the end of the open market, specialized in the trading of gold and jewels and mostly administered by migrant Tamil people.
